Filters

Pressure Sand Filters ,
Activated Carbon Filter
Dual Media Filter DMF,
Multigrade Filter MGF,
Iron Removal Unit IRU,
Bag Filter BF, and Micron
Cartridge Filter MCF

Ion Exchange Unit

Softener Unit ,
De-alkalization Unit,
De-mineraliser Unit (Cation
& Anion Bed), Mixed Bed
Unit

Membrane Units

Ultra- Filtration Units,
Reverse Osmosis Units
Nano-Filtration Units

Sewage Treatment Plants

Package STP
Industrial STP of Activated
Sludge Process,
Sequence Batch Process,
Membrane Bio Reactors MBR,
FBR/MBBR Units

Effluent Treatment Plants

Physio- chemical treatment
Biological treatment
Tertiary treatment

Air Pollution Control device

Wet and Dry Scrubbers
Dust Bag Filters,
Cyclone Separators
Odour Removal of Bio Filters
Paint Booth filters
Electro-Static Precipitator etc
